# FLORAL 5

WELCOME!

Welcome to the very first edition of the **FLORAL 5!** Every month I will be putting together just five of my favourite floral finds, seasonal planting, recipes and beautiful things for your home. The emphasis on home and garden is so important to me and I hope you enjoy reading this first edition!

1

Why not begin the Easter celebrations with a fabulous bottle of Italian **CAVICCHIOLI PIGNOLETTO DOC MODENA SPUMANTE BRUT** - £13.29 from the **Eynsham Cellars** in Oxfordshire. The fabulous floral inspired bottle is not just beautiful to look at, but with hints of white flowers and jasmine it's sure to bring in the bank holiday weekend in style.

WHAT TO SOW NOW

'Antirrhinums' or more commonly known as '**Snap dragons**' are the perfect annual to sow now for long lasting summer flowers!

A packet of seed from any good garden centre will likely cost around £2.00 The '**Potomac**' varieties are excellent cut flowers with lovely long stems.
